DESCRIPTION

- Brushless POWERSTATE™ motor for up to 10x longer motor life and up to 60% more powe
- REDLINK PLUS[™] intelligence system delivers an advanced digital overload protection for tool and battery and uniquely enhances the tool performance under load.
- REDLITHIUM™-ION battery pack provides superior pack construction, electronics and fade-free performance to deliver more run time and more work over pack life.
- AUTO-START[™] technology: When activated the power only engages when the screw gun
- is pushed into the material during application, delivering outstanding run time. Quick release 1/4* Hex chuck allows for easy bit change.
- Fine adjustment nose cone for setting desired countersink levels in single screw applications.
- Removable collated attachment allows the user to use the gun as a stand alone screwdriver or a collaged screw gun.
- Intuitive design of collated attachment to allow for easy cleaning of drywall dust.
 Reinforced collated attachment to protect against dropping of tool.
- Individual battery cell monitoring optimises tool run time and ensures long term pack durability. · Fuel gauge displays remaining charge.
- Brightest LED workspace illumination.
- All metal reversible belt clip to hang your tool quickly and easily.
 Flexible battery system: works with all MILWAUKEE® M18[™] batteries.
- · Supplied in case (HD Box) with 2 batteries and charger.
