DESCRIPTION

- Heavy Duty breaker provides 64 blow Joules of impact energy for toughest demolition applications.
- Floating body anti-vibration technologies allows the user to work all day without reaching dangerous exposure levels.
- Additional third handle gives maximum control when lifting the breaker between applications.
- 1200 BPM provides maximum productivity in all applications.
- Brushless motor allows for maximum run time in-between service intervals.
- 10 m cable allows for a working area of up to 314 m².
- 28 mm Hex reception.
- Separately available trolley with 4 chisel location and cable management makes it easy to transport breaker on the jobsite.
