DESCRIPTION

- Compact brushless motor in FORCE LOGIC™ press tools delivers up to 10 % faster connections and 20 % more run time.
- FORCE LOGIC[™] press indicator: provides visual confirmation of a quality connection.
- One hand operated tool for over head applications and working in narrow spaces.
 Tool records & stores every press made. ONE-KEY[™] enabled for professional report buildings via ONE-KEY[™] app or ONE-KEY[™] browser version.
- ONE-KEY" tool tracking & security offers a cloud-based inventory management platform that supports both location tracking and theft prevention.
- Battery-tool communication: press operation doesn't start to prevent incomplete pressing in case of low charged battery. Pre-press battery check ensures enough charge to complete each press
 Allows to press system related up to 108 mm metal pipes and 110 mm composite pipes.
- REDLINK™ individual battery cell monitoring optimises tool run time and ensures long term pack durability.
- · On board fuel gauge and LED light.
- Flexible battery system: works with all MILWAUKEE® M18™ batteries.
- Supplied in case (Kitbox) with 2 batteries and charger.
