DESCRIPTION

- Includes 110 mm to 1/4 turn locking snap ring for hanging or winching the bag.
- 2 straps "handles" allow transport by hand.
- Maximum tool security during transport:
 - 6 265mm straps with metal "D" rings are attached to the inside of the bag, allowing the attachment of tools inside the bag: no risk of falling tools when opening the bag.
 - Total closure of the bag with a zip. A link is attached to the closure for easy handling when working with gloves.
- Fabric resistant to common solvents.
- Bottom of bag in rigid plastic: the bag is rigid and holds its shape.
- Long life and easy cleaning. Tools not included.
