### DESCRIPTION

- The MILWAUKEE® remote socket controller is compatible with the remote control socket.
- Thanks to the Bluetooth® technology, the remote pairs to the socket in less than 3 seconds and it has a connection range of up to 30 m.
- With the option to pair multiple remotes to the same socket, it is suitable for shared working environments.
- The remote is equipped with an adjustable strap and removable belt clip, allowing it to be used in different orientations like on the wrist or at the end of the hose.
- A standard 3V coin cell battery is included and allows a run time of more than one year.
