DESCRIPTION

- Application: cast iron, tile & granite, abrasives.
- Lasts longer - Nickel alloy-brazed diamond particles maintain sharpness to keep cutting after conventional carbide grit fails.
- Cuts 3x faster - a narrow kerf design enables thinner, faster cuts.
- Straight, clean cuts - unlike bulky snap cutters which crush pipes and leave ragged, uneven cuts, LENOX® DIAMOND™ cuts clean.
- Durable chrome alloy backing steel provides extra stability.
